

MISSOULA RURAL

FIRE DISTRICT

To Whom It May Concern:

Missoula Rural Fire District has been diligently working with ISO (Insurance Services Office) to maintain and establish the best rating available for the members in our Fire District. We are pleased to announce that The Missoula Rural Fire District has improved to a straight **4/10** rating, effective as of February 1, 2018.

- If a resident's address is located within five driving miles or less from one of our five Fire Stations or automatic mutual aid partner stations, then the ISO rating for that property is a **4**.

Please note that with this new rating, there is no longer a requirement to have a fire hydrant within 1,000 feet of the property.

- If a resident's address is in the Missoula Rural Fire District AND greater than five driving miles from one of our five Fire Stations or automatic mutual aid partner stations, then the ISO rating for that property is an automatic **10**. Although the home has this higher rating, we are still able to provide fire protection to all residences that are annexed into our District.

Missoula Rural Fire District utilizes the Missoula County website for determining whether a property is in the Fire District. This website address is: <http://www.co.missoula.mt.us>

Missoula Rural Fire District has no control of property names and owner registration on the website. This is managed by the County of Missoula. Any discrepancies and questions regarding ownership or incorrect data within the assessor information provided on this website need to be addressed with Missoula County.

Driving miles to a specific address can be obtained via free internet search engines, such as Map Quest, Google or Yahoo Maps. We will answer questions regarding locations of our stations or equipment availability. We will not send out individual letters to homeowners or insurance companies regarding this information, as it is available online.

The addresses to Missoula Rural Fire stations are as follows:

Station 1: 2521 South Avenue West

Station 2: 6550 Highway 10 West

Station 4: 9480 Highway 10 East

Station 5: 12221 Highway 93 South

Station 6: 8455 Mullan Road

Our automatic mutual aid partners are Missoula City Fire, East Missoula Fire, Clinton Rural Fire District, Frenchtown Rural Fire District, Potomac Greenough Rural Fire District, and Florence Rural Fire District.

Sincerely,

Christopher M. Newman
MRFD Fire Chief
